PURPOSE

The purpose of this Office Policy is to establish guidelines and procedures for the Office's management of all sworn personnels' law enforcement extra-duty and off-duty employment.

Although this Office Policy refers to sworn personnel throughout, this Office Policy also applies with equal force to all reserve deputies.

POLICY

It is the policy of the Office to provide direction for deputies, reserve deputies, supervisors, and Office command staff regarding extra-duty and off-duty law enforcement employment by establishing procedures for accountability and to administer equitable opportunities for all sworn personnel.

DEFINITIONS

Commander/Special Agency Administrator User: For the purpose of this Office Policy, designated sworn employees who are responsible for creating/editing extra-duty internal sworn assignments or shifts through the Off Duty Management (ODM) OfficerTRAK application, in addition to viewing and reporting access.

Employee: A person currently employed by the Office in a classified, unclassified, contract, or temporary status.

Extra-Duty Law Enforcement Employment: Approved extra-duty internal sworn assignments and shifts which result in sworn personnel receiving compensation from the Maricopa County payroll system where the use of law enforcement authority would normally be anticipated. This scheduled employment would occur outside of the sworn employee's regular on-duty work schedule. Extra-duty employment includes, but is not limited to, providing coverage for various internal Office enforcement shifts, special detail assignments, extradition transport assignments, and specified Maricopa County sporting events or venues. Only sworn personnel are authorized to work in this capacity.

No Call or No Show: For the purpose of this Office Policy, the failure by an employee to complete required notification or show for a scheduled job they determine they cannot work.

Off-Duty Law Enforcement Employment: Approved employment which results in sworn personnel receiving compensation that is not from the Maricopa County payroll system where the use of law enforcement authority would normally be anticipated. This scheduled employment would occur outside of the sworn employee's regular on-duty work schedule. Only sworn personnel are authorized to work in this capacity.

Off-Duty Work (ODW) Liaison: An Office employee designated by Office command staff who administers and coordinates off-duty law enforcement employment for sworn personnel through Off Duty Management (ODM). The ODW Liaison may also assist designated sworn command with coordinating specific extra-duty law enforcement employment jobs through the ODM application.

Office Sponsored Event (OSE): An event where the Office provides supporting services and resources necessary for preemptive action to maintain public safety needs to include, but not limited to, security or traffic control for designated Maricopa County sporting events or venues.

Recurring Job: Off-duty law enforcement employment that occurs at least monthly in which the work location, date, and time does not change and may be conditionally staffed by the same personnel.

Secondary Employment: Employment worked by an Office employee where compensation is not from the Maricopa County payroll system and is otherwise separate from their Office job duties such as, computer repairs; teaching classes; construction; or sales, and where compensation is attained through the secondary employer. Secondary employment is **not** considered extra-duty or off-duty law enforcement employment and is **not** managed through the Office or the Off Duty Management (ODM) OfficerTRAK application. Secondary employment shall not include employment otherwise indicated as prohibited by this Office Policy.

PROCEDURES

1. **Extra-Duty, Off-Duty, and Secondary Employment:** Working extra-duty and off-duty law enforcement employment representing the Office is a privilege, not a right of employment. All sworn employees working law enforcement extra-duty/off-duty or secondary employment shall be subject to the same guidelines and procedures as on-duty conduct. Employees shall conduct themselves at all times, both on and off-duty, in such a manner as to reflect favorably on the Office, as specified in Office Policy CP-2, *Code of Conduct*.
 - A. **Extra-Duty Law Enforcement Employment:** All sworn employees identified as a Commander/Special Agency Administrator are authorized to post internal extra-duty employment for sworn personnel necessary for shift assignment coverage shortages and extradition transport assignments through the Off Duty Management (ODM) application. Commander/Special Agency Administrators are not required to post coverage shortage requests onto the ODM application when they are otherwise able to fill their position or shortage immediately.
 - B. **Off-Duty Law Enforcement Employment:** The Office Off-Duty Work (ODW) Liaison and designated Office sworn command are authorized to coordinate off-duty law enforcement jobs for sworn personnel with ODM.
 - C. **Secondary Employment:** Secondary employment worked by a deputy, detention officer, or civilian employee is **not** considered extra duty/off duty law enforcement employment, as specified in this Office Policy. Employees working secondary employment **do not** receive compensation from the Maricopa County payroll system or the ODM. Volunteer work performed by an employee is not considered secondary employment. Procedures for secondary employment shall be followed, as specified in Office Policy GC-18, *Secondary Employment*.

2. **Off Duty Management (ODM):** ODM is the management company for Office extra-duty and off-duty law enforcement employment for sworn personnel posted through the ODM application.
 - A. ODM utilizes the OfficerTRAK® platform for sworn personnel to access and/or bid for jobs. The platform may be accessed by using the ODM website or the cellular phone application downloaded onto an Office issued cellular phone, or the employee’s personal device. A link to the ODM website is also found on the Office’s mcsso.org website for employee or outside vendor access.
 - B. ODM provides sworn personnel with Workers’ Compensation and comprehensive insurance coverage when working off-duty jobs. ODM is only responsible for an employee’s compensation related to off-duty law enforcement employment and is **not** responsible for compensation related to a sworn employee’s extra-duty employment. Extra-duty employment compensation is addressed through the Maricopa County payroll system.
 - C. The Office shall use a dynamic pricing model to establish the rate of pay for all off-duty law enforcement employment through the ODM application. A dynamic pricing model enables the Office to set variable and flexible prices for services depending on various factors and conditions.
 - D. Any attempts at circumventing this Office Policy, by accepting off-duty law enforcement employment other than through the ODM, or as otherwise specified in this Office Policy, may result in a suspension from extra-duty/off-duty employment and/or disciplinary action to include dismissal from Office employment.
 - E. Employees who are contacted by members of the public, businesses, or organizations, and who express interest in hiring sworn personnel for off-duty law enforcement employment should be directed to the mcsso.org website.
 - F. Any off-duty employment not administered or coordinated through the ODM, such as an Office Sponsored Event (OSE), shall only occur with the approval of the Sheriff or designee.
 1. An OSE request shall include a memorandum outlining the details of the event and justification for the OSE designation and any associated documentation for determining the amount and type of support and resources necessary, to include an Incident Action Plan or Operations Plan;
 2. An OSE may include procedures as specified in Office Policy EA-9, *Management of Special Events*.
3. **Randomized Bid and Award Process for Extra-Duty and Off-Duty Law Enforcement Employment:** The Office shall award extra-duty and off-duty law enforcement employment to sworn personnel using the hybrid processes of “randomized bidding” and “first come first serve” to ensure equitable opportunity for all sworn personnel. This is accomplished through the ODM application.
 - A. Randomized Bid Process: Jobs posted **beyond eight days from the start date** will be posted for bid, with selections being made at random. Employment postings will be made available for 24 hours on select days beginning and ending at 1500 hours. Eligible sworn personnel can view all job postings and bid on any posting which does not exceed their rank or interfere with their on-duty work schedule. Any sworn personnel bidding on more than one posting must rank the selected postings indicating their favorite to least favorite.
 - B. First Come First Serve (FCFS): Employment posted **within seven days of the start date** will be awarded to the first bidder on the posting. Sworn personnel who drop a job awarded by FCFS will be restricted from FCFS bidding for a 24-hour cycle. The FCFS postings will be published at random times throughout day/night.

- C. Recurring Job: Job postings identified in the ODM application as recurring shall remain with the awarded sworn personnel until they withdraw from the job, the vendor reposts the job bid, or the job is terminated. Sworn personnel are subject to be removed from a recurring job if a pattern of excessive tardiness, absences, or substitutions occur.
 - D. Sworn personnel who are awarded extra-duty law enforcement employment shall notify their supervisor through electronic or verbal communication prior to the start of their extra-duty employment. The supervisor notification shall include the date, time, duties, and location of the extra-duty employment.
 - E. Sworn personnel who are awarded off-duty law enforcement employment shall notify their supervisor through electronic or verbal communication of their off-duty employment no later than 24-hours after receiving notification they were awarded/assigned the employment. The supervisor notification shall include the date, time, duties, and location of the off-duty employment.
 - F. Sworn personnel who determine they cannot work an assigned or awarded off-duty law enforcement job within seven days of the start date shall immediately attempt to find a replacement to fill their position, and then notify ODM of the substitution of personnel or the dropped shift.
 - G. For off-duty law enforcement employment, sworn personnel holding rank shall only receive sergeant/lieutenant pay rates when the specific rank is requested by the broker or outside employer, or the position of rank is required by Office Policy due to the nature or estimated attendance of the off-duty employment.
 - H. Sworn personnel shall **not** bid for rank required off-duty positions which are higher than their current rank with the Office.
 - I. Brokers or outside employers who cancel off-duty employment requests within 24 hours of the start time will be billed three hours of pay, this amount to be payable to the employee scheduled to work the cancelled off-duty employment.
 - J. All off-duty employment requests will be billed for no less than three hours per position when the requested employment time period is less than 3 hours.
 - K. One deputy shall be required for every 100 members of the public estimated to attend an off-duty event. Estimates shall be rounded to the nearest hundred to establish minimum staffing requirements. Staffing requirements may be decreased or increased by MCSO based upon the event details, threat assessment, attendance, or types of services requested by the vendor.
 - L. One supervisor position (sergeant or higher) shall be required for every four deputy positions employed for a single off-duty event.
 - M. One commander position (lieutenant or higher) shall be required for every three supervisor positions employed for a single off-duty event.
 - N. Any deviations from the suggested minimum staffing requirements for an off-duty event **not** designated as an OSE, must be approved by the ODW Liaison prior to the posting of the off-duty employment.
4. **Extra-Duty and Off-Duty Law Enforcement Employment Eligibility Conditions:** Sworn personnel shall maintain good working standards with the Office to be eligible for extra-duty and off-duty law enforcement employment. Prior to being approved to work off-duty law enforcement, sworn personnel shall complete

the ODM training course through TheHUB, as specified in this Office Policy, prior to bidding or accepting any off-duty employment. Supervisors shall be responsible for completing a Blue Team Supervisor Note to indicate their sworn personnel have completed the required ODM training course through TheHUB.

5. **Suspension or Revocation of Extra-Duty and/or Off-Duty Law Enforcement Privileges:** Sworn personnel may be prohibited from working extra-duty and/or off-duty in a law enforcement capacity due to failing to follow the procedures as specified on this Office Policy, or as otherwise indicated below. Blue Team Supervisor Notes shall be completed for all supervisory action taken as a result of failure to follow procedures as specified in this Office Policy.

A. Specific conduct, activities, or action may result in an employee either being ineligible or suspended from extra-duty and/or off-duty law enforcement employment or having their privilege to work extra-duty and/or off-duty revoked altogether. A supervisor can initiate the ineligibility, suspension, or revocation by documenting the specific information in a Blue Team Supervisor Note and forwarding the information through the chain of command to the division commander. The employee shall also be included in the dissemination. The following conditions, activities, or actions **shall result in the employee being ineligible or prohibited** from the privilege to work extra-duty and/or off-duty law enforcement employment:

1. FTO program not completed;
2. Current participant of an intervention or performance action plan, as specified in Office Policy GH-5, *Early Identification System* (unless approved by the division commander or designee);

6. On modified duty and medically restricted from working as a peace officer;
7. Reserve deputies who have failed to meet their quarterly volunteer service hour requirements, as specified in Office Policy GJ-26, *Sheriff's Reserve Deputy Program*, for the previous month; or
8. Failure to complete the required TheHUB ODM training course and/or the TheHUB review and attestation of this Office Policy.

B. The following are examples of conduct, activities, or actions that **may result in the employee being suspended or revoked** from the privilege:

1. Working extra-duty or off-duty law enforcement without notifying a supervisor and/or working extra-duty or off-duty law enforcement without completing TheHUB ODM training course;
2. Inability to perform essential on-duty jobs functions as determined by the division commander which may include a current action or performance plan related to deficiencies;

3. Using an Office vehicle for off-duty employment without approval; or using a non-authorized vehicle during off-duty.
 4. Exhibiting a pattern of excessive tardiness, absences, or substitutions for awarded jobs;
 5. Failure to follow requirements specified in this Office Policy;
 6. No Call or No Show for a scheduled job:
 - a. Sworn personnel who determine they cannot work an assigned or awarded off-duty job eight days or more from the start date, may drop the job using the OfficerTRAK application or contacting the ODW Liaison.
 - b. Sworn personnel who determine they cannot work an assigned or awarded off-duty within seven days of the start date shall immediately attempt to find a replacement employee to fill their position, then notify ODM of the substitution of personnel or the dropped shift.
 - c. Sworn personnel scheduled to work extra-duty employment who determines they cannot work shall immediately contact the responsible supervisor for the extra-duty employment, or the supervisor who posted the employment to determine the best course of action for filling the vacated shift.

1. 1st Offense – 30-day suspension
 2. 2nd Offense – Six-month suspension

- D. Sworn personnel may appeal all action by offering a response through a memorandum within five business days to their bureau chief through the chain of command for a final determination.
- E. Sworn personnel shall not be subject to consequences for absence or disruption to off-duty law enforcement work when the cause is due to official Office business such as an immediate on-duty or call-out requirement. However, sworn personnel are still required to immediately notify the ODM of the related scheduling conflict and of their attempt to find another available employee as a substitute for the off-duty law enforcement job.
6. **Responsibilities of the Office Off-Duty Work (ODW) Liaison and Designated Office Command:** The ODW Liaison and designated Office command are responsible for coordinating and managing off-duty law enforcement jobs worked by sworn personnel through ODM. The ODW Liaison may also assist Commander/Special Agency Administrators with specific extra-duty law enforcement employment jobs offered through the ODM. Commander/Special Agency Administrators are responsible for coordinating and managing internal sworn assignments and shifts through ODM.
- A. The ODW Liaison and Commander/Special Agency Administrators shall ensure the ODM only offers those extra-duty and off-duty law enforcement jobs that meet Office established standards. Prohibited off-duty law enforcement employment jobs are specified in this Office Policy.

- B. When sworn personnel are determined ineligible to work for reasons as specified in this Office Policy, the ODW Liaison shall be notified by the employee's supervisor or the otherwise responsible supervisor who determined the ineligibility. The ODW Liaison may be contacted by e-mail at [REDACTED].
- C. Once advised, the ODW Liaison is responsible for reporting to the ODM sworn personnel whose eligibility has been revoked or suspended. The ODM will not offer jobs to sworn personnel reported as ineligible.

 - 3. Prevent overlapping on-duty shifts with off-duty employment;
 - 4. Ensure their sworn personnel are aware of the requirements specified in this Office Policy, to include the **maximum number of hours allowed to work**;
 - 5. Ensure the employee schedules a minimum of a 15-minute break between the on-duty shift and the scheduled off-duty employment. Exception to this requirement may be approved in instances where the employee's on-duty work location is the same as the off-duty jobsite; and
 - 6. Identify and address indications that extra-duty or off-duty law enforcement employment may be impacting the ability to successfully meet performance, conduct, attendance, or appearance expectations; or that secondary employment may be interfering with the business needs of the Office.
- B. Bid Approvals: The Office shall use a PASSIVE/PRESUMPTIVE supervisor approval process for sworn personnel who bid for extra-duty/off-duty law enforcement jobs through ODM.
 - 1. All supervisors shall have access to current and historic extra-duty/off-duty law enforcement jobs worked by sworn personnel through ODM to aid in bid approval determinations.
 - 2. In the event the supervisor does **not** recommend approval of the bid, they shall promptly make the notifications to the ODW Liaison.
- C. Blue Team Entries: No Blue Team Supervisor Note entries are required relating to their sworn employee's extra-duty or off-duty law enforcement **job performance** unless the supervisor has been notified of an Internal or External Complaint, or the employee's privilege to work extra-duty/off-duty in a law enforcement capacity has been suspended or revoked. Blue Team requirements for supervisors of sworn employees working extra-duty or off-duty law enforcement employment are indicated as follows:

1. A one-time Blue Team Supervisor Note shall be completed indicating TheHUB ODM training course has been completed by the sworn personnel.

- D. An Office supervisor who supervises sworn personnel working extra-duty/off-duty law enforcement jobs shall be provided profile access as a “*Supervisor User – Viewing and Reporting Only*” on the ODM OfficerTRAK application upon approval by their division commander. The request for access shall be provided by the commander through e-mail to the ODM Work Liaison at [REDACTED].
8. **Office Monitoring of Extra-Duty and Off-Duty Law Enforcement Employment:** The Office monitors sworn personnel’s activities when working extra-duty/off-duty law enforcement employment through data collection and tracking methods utilizing CAD/MPS, the ODM application, and GPS/Geo-Fencing. Sworn personnel shall carry their Office issued radio and/or applicable cellular phone when working extra-duty/off-duty law enforcement employment (deputies to carry their issued cellular phones and reserve deputies to carry their personal cellular phones). Sworn personnel shall complete the following at the start of extra-duty/off-duty law enforcement employment:

 - I. Sworn personnel who are unable to complete either clocking in or out from their off-duty employment work location are directed to notify the ODW Liaison and/or the ODM through the ODM application for assistance.

12. **Office Vehicles Use:** MCSO's primary responsibility regarding Office vehicle use is to maintain and ensure vehicle availability for sworn personnel working on-duty shifts. Sworn personnel shall not accept cash payment, tips, or other benefits from the outside employer.
14. **Extra-Duty/Off-Duty Law Enforcement Employment Arrest/Reportable Incident:** Sworn personnel working extra-duty/off-duty law enforcement employment shall initiate the appropriate paperwork on Office forms when an arrest is made or when any other reportable incident occurs, regardless of the law enforcement jurisdiction in which it occurred. 15. **Extra-Duty/Off-Duty Incident Reports (IR):** Sworn personnel who are assigned an IR during extra-duty or off-duty employment or during an off-duty incident, shall submit the report to any on-duty supervisor or watch commander for the district in which the off-duty incident occurred prior to or at the end of the extra-duty or off-duty law enforcement shift. 18. **Training:** All required training regarding ODM shall be completed on TheHUB by those sworn personnel interested in extra-duty/off-duty law enforcement employment prior to bidding for off-duty jobs through ODM.
